

Biomedical Careers Academy

Lawndale High School

CALL FOR COMMUNITY AND INDUSTRY PARTNERS!

The Biomedical Careers Academy at Lawndale High School is seeking partnerships with Health and Medical organizations to provide our students with any of the following:

Community Service Opportunities

Host Field Trips

Speakers

Mentorships

Internships

Sponsorships

(funding or equipment donations)

Help us cultivate a high quality and experienced workforce for the future needs of the biomedical field by partnering with the Biomedical Careers Academy!

Questions? Please contact Molly Nellman, Coordinator of the Biomedical Careers Academy

NellmanM@Centinela.k12.ca.us

310-263-3112

Yes! I'm interested in partnering with the Biomedical Careers Academy!
